

# GES Student Directory 2008-2009

In a continued effort to build community among students and families at Greenbelt Elementary School, the PTA publishes an annual Student Directory. In the past, the Directory has been very popular with families and students wishing to make connections with fellow students outside of school.

To make the Directory more useful, we hope for the participation of as many families as possible. Please use the attached form to submit your information.

The form is designed so that aside from student's name, grade and teacher, you can include as much or as little information as you feel comfortable with. Please print your information very clearly, so we don't make as many mistakes when we input your data. Once completed, please submit your form to the School Office or your child can give it to his/her teacher.

If you are happy with your entries from last year's directory, please just enter your child's full name, new teacher and grade and check the "same information as 07-08 directory" box.

The GES Student Directory will only be distributed to parents and teachers of the children at Greenbelt Elementary School. In order to protect your child, your privacy and your possibly unlisted phone number(s) from unintended distribution, it will be printed in booklet form and not electronically.

We hope that the information about other students in your child's class will help you to learn about your child's friends while also affording you the opportunity to make connections with other parents/guardians.

If you have any questions regarding this effort, please feel free to contact Kirsten Dabelko at [kirsten\\_lacour@hotmail.com](mailto:kirsten_lacour@hotmail.com) or 301-513-5460.

Sincerely,

The PTA Student Directory Committee
