

GES PTA Student Directory 2011-2012

In a continued effort to build community among students and families at Greenbelt Elementary School, the PTA publishes an annual Student Directory. In the past, the Directory has been very popular with families and students wishing to make connections with fellow students outside of school.

To make the Directory more useful, we hope for the participation of as many families as possible. Please use the attached form to submit your information.

The GES Student Directory will only be distributed to parents and teachers of the children at Greenbelt Elementary School. No commercial use of this data is allowed. In order to protect your child, your privacy and your possibly unlisted phone number(s) from unintended distribution, it will be printed in booklet form and not electronically.

NOTES:

- This is a PTA effort.
- The PTA does not have access to school records.
- If you wish to be included in the directory, you must fill out at least the **first part** of this form for your child.
- The form is designed so that aside from student's name, grade and teacher, you can include as much or as little information as you feel comfortable with.
- Once completed, please submit your form to the School Office or your child can give it to his/her teacher.
- Please print your information very clearly. If writing is illegible, your information will not be included.

If you have any questions regarding this effort, please feel free to contact Kirsten Dabelko at kirsten_lacour@hotmail.com or 301-513-5460.

Sincerely,

The PTA Student Directory Committee
