

## **Greenbelt Outstanding Citizen of the Year**

Dear Neighbor:

All of us have had the opportunity to be associated with individuals from Greenbelt who have distinguished themselves for their outstanding volunteer service to our community. Rarely do these people receive the recognition they deserve.

Every year the Greenbelt Outstanding Citizen of the Year Selection Committee chooses a volunteer to receive this honor at Greenbelt's annual Labor Day Festival Opening Ceremony. We strive to make this a memorable event for the honoree. State and local officials personally bestow congratulatory citations and proclamations on the Outstanding Citizen. In addition to receiving special gifts, the honoree's name is added to a permanent plaque located in the Community Center, and the honoree serves as the Grand Marshall for the Labor Day Parade.

*We need your input to make this wonderful award a reality for Greenbelt's most deserving person.* Describe in your own words those acts of exceptional kindness and tireless energy that your nominee has shown. Such acts could include organizing a program for the benefit of our community, giving time and talent to teach, lending a helping hand to those in need, or just making the special effort to ensure that "good things happen" for others.

Please take this opportunity to write us about someone you believe should be honored as Greenbelt's Outstanding Citizen for the year. The enclosed nomination form details information we need to learn about your nominee. The deadline for submission is August 7.

We hope we can count on you to keep this one of Greenbelt's truly special events.

Sincerely,

Bob Zugby, Chair  
Outstanding Citizen Committee  
94 Ridge Road  
Greenbelt, Maryland 20770
