You may park your car at Buddy Attick park. However, if the parking lot fills up, you will need to park in the neighborhoods up Ridge Road and Lastner Lane off of Crescent Road. If you are driving in from outside old Greenbelt, you will need get to Crescent Road via Kenilworth Avenue. You will not be able to drive west on Crescent Road from the center of old Greenbelt.

If you have a group that is walking in the parade, you are encouraged to meet up at Buddy Attick park and then walk from there to your line up position.

Check the website for your group's parade position. The parade position number corresponds to a marked position on Crescent Road between Greenhill Road (at the Baptist Church) and Lastner Lane. The positions are marked by number on eleven power poles starting at Lastner Lane (#1), followed by multiples of ten (#10, #20, #30, #40, #50, #60, #70, #80, #90) up to #100 at Lastner Lane. For example, position number 53 is about a third of the way between the power poles marked #50 and #60.

If you can find your group's parade position in the table below, you may go directly to the corner of Lastner Lane and Crescent Road and give your parade position number and group name to the parade Marshall at that location. You may then proceed directly to the area of your parade position.
